THE DESIGN OF SHEARMAN
PARK**

THURSDAY, JUNE 13 AT 5:30PM

**SHEARMAN PARK SITE
INTERSECTION OF PROSPECT ST & LINDEN ST**

The community is invited to attend a design charette to develop concepts for the Shearman Park site (formally the Shearman Elementary School). The City of Marshall, in coordination with VIRIDIS Design Group, has created a Steering Committee, made up of residents and City personnel, to oversee the planning process to develop a park at the Shearman site. The purpose of the Charette is to gather public ideas, goals, opportunities, and concerns to be considered for the master plan design. The ideas discussed at this meeting will be used to develop the Master Plan. Steering Committee members will be present to answer your questions and address your concerns. Map displays will be available for viewing.

If you can not make it to the meeting, please send us your comments via email. Email all comments to john@virdg.com.
