4. Plan Review Required

See below for plan review requirements before completing this section.

What is the rating of the service or feeder in ampere? _____

What is the building size in square footage? _____

Have Plans been submitted with plan review fee? Yes No Plans Not Required

Plans are required for all building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to Act No. 299 of the Public Acts of 1980, as amended and shall bear that architect's or engineer's signature and seal, except:

1. When the electrical system rating does not exceed 400 amps and the building is not over 3,500 sq. ft. in area.
2. Work completed by a governmental subdivision or state agency costing less than \$15,000. If work being performed is described above, check the box above "PLANS NOT REQUIRED".

PLANS MUST BE SUBMITTED BEFORE A PERMIT CAN BE ISSUED, IF REQUIRED

5. Applicant Signature

Section 23a of the State Construction Code Act of 1972, PA 230, MCL 125.1523A prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential structure. Violators of Section 23a are subject to civil fines.

Signature of Licensee or Homeowner (**Homeowner's signature indicates compliance with Section 6 Homeowner Affidavit**)

Date

6. Homeowner Affidavit

I hereby certify the electrical work described on this permit application shall be installed **by myself in my own home** in which I am living or **about to occupy for a period of two years as required per State Act 6 of 2008**. All work shall be installed in accordance with the State Electrical Code and **shall not be enclosed, covered up or put into operation** until it has been **inspected** and **approved** by the electrical inspector. I will cooperate with the electrical inspector and assume the responsibility
