

Michigan Avenue Water Service Survey

This survey is being conducted to verify water service connections on Michigan Avenue between Marshall Ave. and the Fountain Circle. The City of Marshall is in the process of designing a new water main for the downtown area and records are incomplete for water services. We are asking for your help so that we may design the new water main to fit the needs of our downtown businesses. Please fill out the form below and return it to City Hall, mail it to City Hall or email it to aambler@cityofmarshall.com. We appreciate your help.

Business Name _____

Business Address _____

Business Owner _____

Telephone Number _____

Email Address _____

Mailing Address _____

Water Service Size _____
(1/2", 3/4", 1", 2")

Water Service Type _____
(copper, galvanized, lead)

If current water service is not adequate for facility, what size service is desired?

323 W. Michigan Ave.

Marshall, MI 49068
