

City of Marshall Residential Energy Efficiency Program

2021 Incentive Application

Step 1: Make sure your project is eligible.

Check the specifications listed in this application to make sure your project is eligible for incentives. All equipment must be new and installed or operated in a residential dwelling, whose electric service is provided by the City of Marshall Electric Department.

Step 2: Complete your project.

Install your new, energy-efficient equipment and remove your old equipment, following the specifications listed in this application.

Step 3: Apply for your rebate incentive.

Once your project is complete, it's time to request your incentive. Within 60 days of project completion, you must submit:

- A completed and signed application
- Itemized invoice /receipts. **REBATES CANNOT EXCEED THE PRICE PAID AND DO NOT INCLUDE TAX.**
- For furnace and central air conditioning units, please include the AHRI certificate(s).
- For ENERGY STAR® products/equipment, include the ENERGY STAR® logo and copy of invoice/receipt.
