TO THE APPLICANT- You will be notified within 10 business days (unless otherwise notified) as to whether your project has been approved or if any other information is needed. If your project is denied, you will be notified of the reasons why. If approved, you will be informed of the permit and bond fees due. Once paid you will be issued your permit, and you can start work. **Please make sure that you have completed, signed, and have all the necessary paperwork submitted** with your application so that your approval will not be delayed. Contact the Building Department at: (269) 781-3985 ext. 1501 if you have questions.

NOTE: These fees are for the Building Department only. If you have Electrical, Mechanical, or Plumbing work you need to apply for the appropriate permits.

SECTION 105.4 - The issuance of or granting of a permit shall not be construed to be a permit for, or an approval of, any violation of any of the provisions of this code or of any other ordinance of the jurisdiction. Permit presuming to give authority to violate or cancel the provisions of this code or other ordinances of this jurisdiction shall not be valid. The issuance of a permit based on construction documents and ether data shall not prevent the building official from requiring the correction of errors in the construction documents and other data.

SECTION 105.6 - The Building Official is authorized to suspend or revoke a permit issued under the provisions of this code, whenever the permit is issued in error or on the basis of incorrect, inaccurate or incomplete information, or in violation of any ordinance or regulations or any of the provisions of this code.
