Certifications and Signature

I hereby certify that:

1. The information contained in this application is accurate and complete;
2. All rules of this incentive program have been followed; and
3. I have read and understand the terms and conditions of this application.

I agree to verification of equipment installation which may include a site inspection by a City of Marshall representative. I understand that I am not allowed to receive more than one incentive from this program for any one piece of equipment. I hereby agree to indemnify, hold harmless and release the utility from any actions or claims in regard to the installation, operation and disposal of equipment (and related materials) covered herein, including liability from any incidental or consequential damages.

Confidentiality Statement:
 I understand that my submittal of the above requested information is for the sole purpose of my program participation. I further understand that this information will be treated as confidential to the extent permitted by law.

Please sign and complete all information above. Customer signature is required for payment.

To receive a Cash-Back Incentive:

1. Purchase and install qualified equipment.
2. For Central AC and high efficiency furnace with ECM (AFUE 95%), please attach the AHRI Certificate(s), or include specification sheets that show the furnace unit has an ECM, and the SEER rating of the AC. An invoice/receipt showing SKU, price & purchase date are required for payment.
3. Include this completed and signed application with all other required materials including documentation showing the model and serial number. Incomplete applications or applications submitted without other required materials will be denied.
4. A check for your incentives will be mailed to you for qualified products. Please allow 6 to 8 weeks to receive your incentive check from the time it is received by the City of Marshall Energy Optimization Program.

Terms and Conditions:

This offer is valid only for City of Marshall residential electric customers. Offer is good while funds are available and is on a first-come, first-served basis. Program begins January 1, 2017 and expires December 31, 2017. Products must be new and operational. Register receipt/invoice will be used to verify purchase date and/or installation of qualified equipment. Offer redeemable by mail, email or dropped off to City Hall. The City of Marshall reserves the right to withdraw or change this offer without notice. Rebates may not exceed purchase price. Ineligible rebates are subject to denial or repayment to program. Rebate requests must be postmarked by December 31, 2017. The program is not responsible for applications lost, damaged or not received. Call 269.781.5183 or visit www.cityofmarshall.com, under the electric department, to find out more about how you can save energy and money.
