

City of Marshall Residential Energy Efficiency Program

2018 Incentive Application

Step 1: Make sure your project is eligible.

Check the specifications listed in this application to make sure your project is eligible for incentives. All equipment must be new and installed or operated in a residential dwelling, whose electric service is provided by the City of Marshall Electric Department.

Step 2: Complete your project.

Install your new, energy-efficient equipment and remove your old equipment, following the specifications listed in this application.

Step 3: Apply for your cash incentive.

Once your project is complete, it's time to request your cash incentive. Within 30 days of project completion, you must submit:

- A completed and signed application
- Itemized invoice(s). REBATES CANNOT EXCEED THE PRICE PAID AND DO NOT INCLUDE TAX.
- For furnace and central air conditioning units, the AHRI certificate
- For ENERGY STAR® products/equipment, the ENERGY STAR® logo and copy of invoice/receipt.

<input type="checkbox"/> Check this box if you are the homeowner, and you certify that you have installed energy savings equipment in your home.
